Matt's Note

From snowball fights and cold sleigh rides to the warm fireplace and mistletoe, there's something wonderfully special about a quintessential Christmastime.

I wanted *It's Christmastime Again!* to paint a picture of this ideal holiday through vivid lyrics and festive orchestration. Towards the end of the song is one of my favorite lines: "Oh what a perfect time to celebrate the love we feel, the joy we make."

I hope this song can remind us all of what we have, what we can do for others, why this season is so remarkable, and how special our lives really are. Now let's start this celebration!
